Dear John:

Regarding the change of inventorship issue, enclosed is a copy of the Corrected Filing Receipt for the priority U.S. application. The receipt issued after our petition to amend inventorship was granted and indicates the correct nine inventors, including Mr. Miller.

Please let us have your view on whether a certified copy of this Receipt would be sufficient to persuade the various patent offices that there is no inventorship discrepancy in fact. If it is, please let us know how many certified copies would we need.

I look forward to your response.

With best regards.

Very truly yours,

Robert M. Isackson
